Join us for a fun night of crafting with some of the latest, on trend, autumn and Halloween home décor designs. We will have a crafting designer onsite to walk you through creating your project using chalk paste and reusable silkscreen stencil. Desserts, drinks, and wine will be offered as we connect and support our community CASA program. Children are welcome and seats will be limited to practice social distancing.

Not able to attend? Still want to support our mission? We will have pre-packaged DIY projects you can take home to create on your schedule! Includes written and video instructions to walk you through your project!

Emily Lewis, Independent Designer – Chalk Couture at Chalk About For
Emily's daughter, Sophia, will be leading the children's group
